

The new Jaguar XK - nothing superfluous, undeniably contemporary, advanced lightweight aluminium.

It demands your immediate attention.

nd exceptionally light, the aluminium skin is drawn taut across the chassis. Sculpted, efficient and precise, the new XK stands apart from the competition.
nal rigidity derived from aerospace construction technology gives the certainty of superb, pin-sharp driving dynamics, of being connected, of feeling and sensing.

A dramatically beautiful, all-new sports car with styling cues that subtly reflect its famous lineage, the new XK has perfect stance and proportion, it is a study in elegance and restrained power.

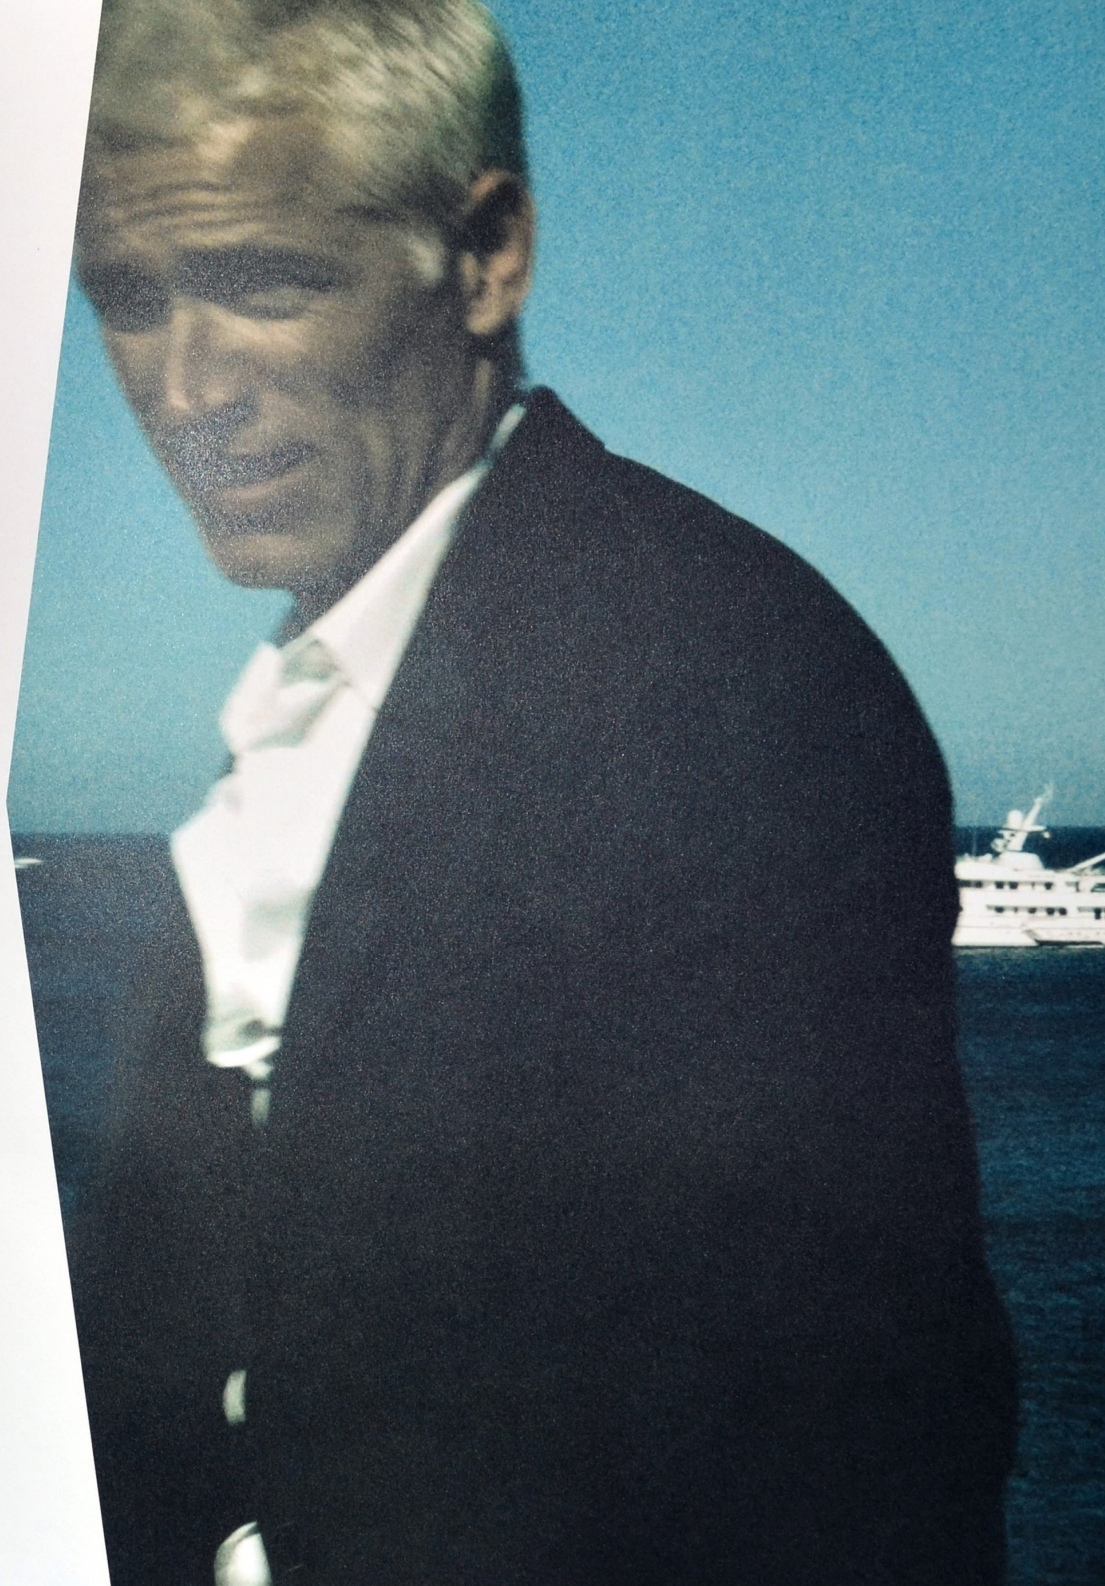

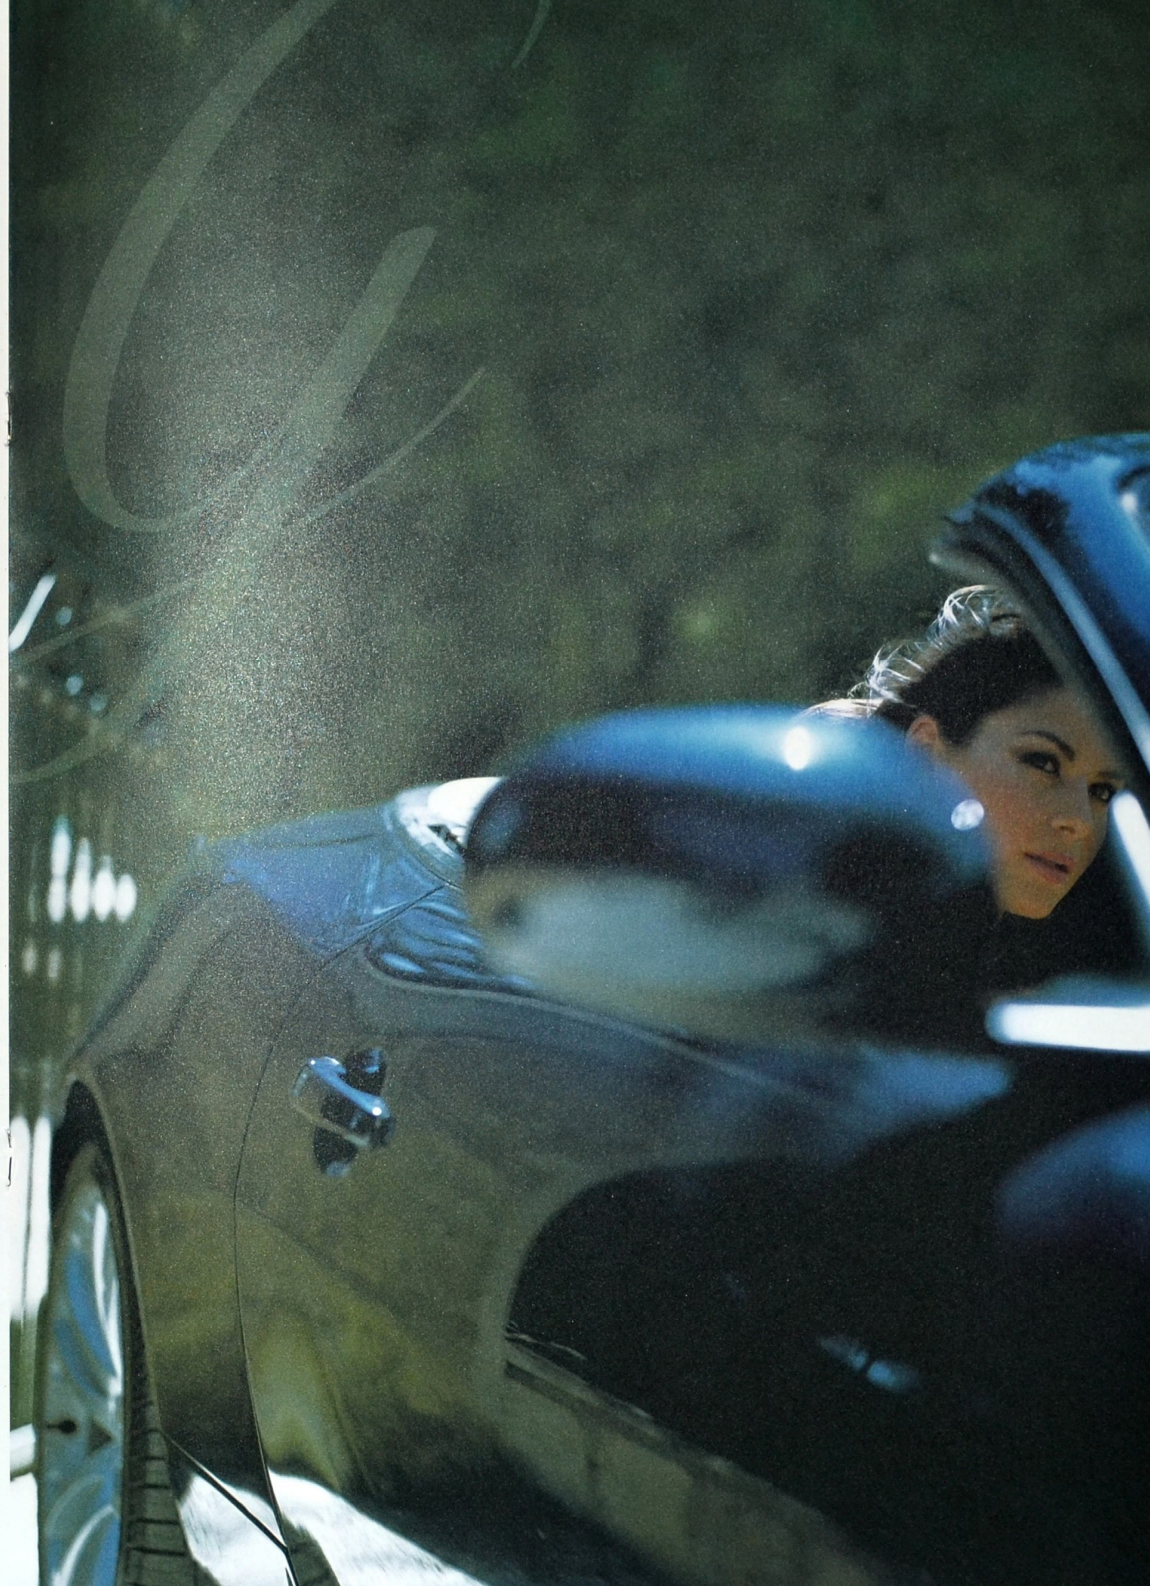

Pure sporting luxury, intuitive, seductive and spacious.

XK loves scrutiny - from the driver-focused controls to the sumptuous leather and detailed stitching. There is the feeling of belonging; the first time you get in the car,

every time you get in the car. Love it for its daring,

a grand tourer, a luxury car; brought to life by its 300 bhp, 4.2 litre V8 engine, the new XK delivers scintillating performance
eat quickening sound. Set off across half a continent, delight in the experience, arrive inspired.

Important Notice

Jaguar Cars Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Cars Limited by any express or implied undertaking or representation. Full specification and technical data on the new XK will be made available in a further publication once the car goes on sale.
