S.S. II open 4 seater

another supreme S.S. achievement

A smaller version of the famous S.S. I Open 4-seater, it reflects many of the striking features of that car, including the snap and speed of a high compression engine with special twin carburettor induction system. Great attention has been given to the seating accommodation and it is true to say that no light sports car offers more comfort and space for 4 adult passengers. Its performance, road-holding and beauty are, in its class, unsurpassed. Fully equipped, and upholstered in finest quality Vaumol hide. Prices 10 h.p. £260. 12 h.p. £265.
SPECIFICATIONS

S.S. 1 Airline, Saloon and Open 4-seater models

ENGINE. Specially manufactured Standard 6-cyl. 16-5 m.m. stroke. 330 c.c. 24 h.p. 73 m.m. bore x 106 m.m. stroke. 1933 7-250 two-stage salt-water radiator. 3-stage friction clutch. 2-speed transmission. 7-speed gear box. Aluminium pistons. Chromium iron cylinder blocks. Light alloy connecting rods. High efficiency induction and exhaust, manifolds. Detachable cylinder heads. Stainless steel valve springs. Two spring lifters per cylinder. Cooling by centrifugal pump and fan with adjustable thermostat. High pressure accumulator. Electrolytic ignition. Single dry plate dry plate action clutch.

TRANSMISSION. Synchromesh gears on second, third, and top. Hardy Spicer all-metal propeller shaft and universal joint. Spiral bevel final drive. Easy to hand change speed lever.

S.S. I open 4 seater

sweeping lines — surging power

1934 proved beyond all doubt that for beauty, performance and sheer individuality the S.S. I Open Sports 4-seater is in a class by itself. To drive the 1935 model is to experience a new ideal of performance—in the smooth responsiveness of a powerful high compression engine, with sparkling acceleration gained by special induction system incorporating 2 high speed carburettors. Superb roadholding qualities enable long distances to be covered without the slightest sense of fatigue either for driver or passengers. 16 h.p. £335, 20 h.p. £340.

S.S. I 4-seater Saloon (Illustrated on first page)
Possessing the same qualities as the S.S. I open 4-seater, the saloon represents the ultimate in smartness, grace, comfort and performance. It is luxuriously upholstered and lavishly appointed throughout and accommodates 4 adults with ease. Prices: 16 h.p. £340. 20 h.p. £345.
the light car par excellence

Similar in design and appearance to the S.S. I and embodying many of its features, the S.S. II Saloon is built to suit those who require a slightly smaller and lower horse-powered car. Its performance is really remarkable and unique in its class for, like its larger counterpart the S.S. I, it is powered with a high compression engine with twin carburettors of special design. There is full accommodation for four adults and upholstery is of finest Vaumol hide. Complete appointments throughout. Prices: 10 h.p. £265, 12 h.p. £270.
