

Welcome to the SNG Barratt Jaguar E-Type Parts Catalogue

Following the Worldwide success of our Definitive Jaguar Owners Catalogue which covers over 20 classic models in one 300 page publication we have taken the decision to release a range of more detailed catalogues for each of the more popular models that we cover. This will allow us to better illustrate the parts we have available and to make identification of the item required a little easier.

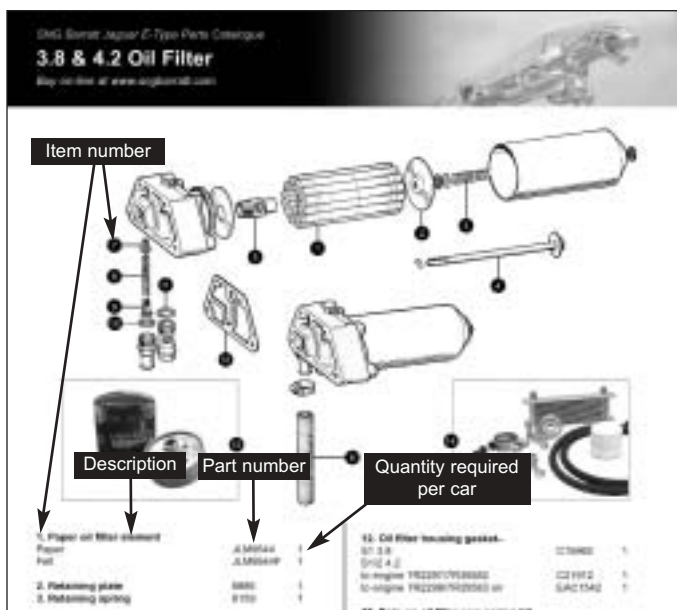

How to use this catalogue...

Use the illustration in each section to identify the component that you require. Note the indicated item number and find the corresponding number in the section listing. There you will see our part number for that item, the description and to it's right the quantity required per car. Very often this will be the original Jaguar part number, thus allowing you to refer to an original factory parts catalogue if more detail is required.

Each part number is listed in our price list. This listed price is per item and is plus VAT, (or BTW or Mwst where applicable) except in the case of books and other VAT exempt items.

If you then quote this part number when contacting our sales department, we will be able to confirm the cost and whether we have the part in stock.

If you cannot conclusively identify the item that you require then please call and we will to assist you. Our staff have many years of experience with all aspects of the Jaguar marque and may have just the answer...

Your customer number

Upon dealing with SNG Barratt for the first time you will be allocated a customer number. In most cases this will be your UK postcode or in the USA your telephone number. However if you are outside the UK/USA your sales advisor will use either your postal area code or a number devised using your surname. This customer number can either be found on your invoice or simply by asking the person serving you. The ability to provide your customer number when contacting our sales department will allow us to access your information far faster and serve you even more efficiently.

Customer number.....

Your vehicle details

Please complete this section as accurate vehicle information at your finger tips will prove to be invaluable. Very often identifying the correct part for your car can be all down to chassis or engine number. These details can best be found on the car itself, as registration documents can often prove to be incorrect due to engine swaps and vehicle upgrades that the DVLA have not been advised of. Please refer to the Vehicle Identification section on page 2 if you wish to cross reference any information.

Year of manufacture.....

Body style DHC / FHC / 2+2

Chassis number.....

Engine 3.8 / 4.2/ 5.3

Engine number.....

*N.B. For ring gear only add suffix RG***Performance Aluminium Flywheels**

Manufactured to the very highest specification our performance aluminium flywheels give a fabulous increase in performance when fitted to either a standard or high performance Jaguar engine. At the same time they offer the benefits of longer engine life due to the reduced stress exerted on the crankshaft and bearings. This is because of the better moment of inertia characteristics that is possible through the use of aluminium instead of the standard steel as well as the obvious gains in horsepower.

--------------------	--------	---

3.8 & 4.2 ENGINE TIMING GEAR SETS

Minimum Kit	TCK6MIN	1
Upper and lower timing chains, all guides, tensioner, lock washers and gauze filter.		

Standard Kit	TCK6	1
--------------	------	---

As TCK6MIN but with the addition of the camshaft gears and circlips, crankshaft gear and idler sprocket.

Major Kit	TCK6MAJ	1
-----------	---------	---

As TCK6 but with the further addition of the intermediate sprocket, idler shaft, micro adjuster plate etc. to provide a full kit of spares to entirely overhaul the timing gear.

3.8 & 4.2 Performance Alternatives

Buy on-line at www.sngbarratt.com

1. Series 1 & 2 Performance Air Filter Conversion

Improved air flow means faster acceleration and a more efficient induction system. We could quote an increase in BHP too, but we want you to try one and feel the difference. Fitted easily in minutes and 100% re-usable. The perfect companion to a modified engine. C26295ITG 1

2. Quality Pancake Air Filters

Obtaining pancake air filters has long been a problem, especially if you want to combine classic styling with efficient filtering. The deep chrome filters that we can now supply really do have the period accessory appeal whilst still providing easy yet adequate breathing for your induction system. SBS9189 3

3. SU Carburettor Trumpets

Always a favourite for fast road and race cars offering faster air flow through the induction system and a power increase when used with other tuning products.

Short SBS1464 Long SBS1465 3

4. Weber Carburettor Conversion

Whilst up-rating your 6 cylinder straight port XK engine for fast road or racing purposes you may find your attention turns to carburation and the advantages of fitting Weber carburettors can not be overstated. Because their unique construction allows one throttle plate per cylinder. Add to this the limitless tuning possibilities that such advanced carburation technology can offer, you will see why the Weber 45 DCOE carburettor makes such a wise choice.

SBS1314A	Inlet manifold for Weber carburettors	1
SBS1324	Set of 3 Weber carburettors 45DCOE	1
SBS1325	Set of three KN Weber air filters	1

If you think you can buy an E-Type and forget it, forget it!

SNG Barratt have been selling Dayton Wire Wheels which are made by skilled craftsmen in the USA for several years now. In that time we have found that our customers are not only thrilled by their price, but also by the quality of their construction too! If you're thinking of fitting chrome wire wheels to your Jaguar or replacing a set that have seen better days, take a look at this list of Dayton features before you decide which wheels to buy!

a) Stainless steel spokes which cannot rust and have twice the fatigue resistance of chrome-plated spokes.

b) Swaged spokes, which are thicker at the hub and tapered to the rim. The swaging process gives the spoke a smooth, brilliant finish, provides more even distribution of stress, and allows the use of more spokes for added strength.

c) Four-layer nickel-chrome plating for greater durability and corrosion resistance.

d) Custom designs with the bolt circle and center locating hole precisely machined to each vehicle's original wheel specification for smooth running.

e) Expert polishing of all parts. Rims are polished on both front and back sides.

f) Fully tested designs to the Society of Automotive Engineers' specification J328 for fatigue resistance.

g) Each wheel is hand-tightened and gauged for concentricity. Spokes are pre-loaded with even tension for durability and precise wheel alignment. Periodic retuning and retightening are not required.

h) Three year comprehensive manufacturer's warranty.

Series 2 & 3 Power Steering

Buy on-line at www.sngbarratt.com

1. Steering wheel

Since the 1950's Moto-lita have been hand crafting wooden steering wheels for all types of classic & sports cars. All Moto-Lita wheels are still hand built to the same exacting standards that has made them a natural choice for over 50 years!

S2- Quality reproduction of the original woodrim wheel

STAINLESS STEEL BELL EXHAUST SYSTEMS

Bell Stainless Steel Exhaust Systems are possibly the finest that money can buy. Every individual component is hand-made by time served craftsmen to produce a system that is not only superior in it's finished quality, but in the way it easily fits to your Jaguar. A lifetime guarantee that is valid for as long as you own the car ensures that you're bolting on total piece of mind whilst adding to your cars value...

(Please note that not all the items contained in the listing are illustrated)

1. Sill end closing panel front

All models except S3 LH	RH	BD15184	1
	LH	BD15185	1

Sill end closing panel S3 LH		BD15185/1	1
------------------------------	--	-----------	---

2. Bulkhead to sill closing panel

S1/2 DHC/FHC	RH	BD28252	1
	LH	BD28253	1

S1/2 2+2	RH	BD27560	1
	LH	BD27561	1

S3	RH	BD36514	1
	LH	BD36515	1

3. Bulk head panel RH

S1/2 DHC/FHC 3.8 & 4.2		BD28248	1
------------------------	--	---------	---

Bulkhead panel 2+2		BD27544	1
--------------------	--	---------	---

Bulkhead panel V12		BD36574	1
--------------------	--	---------	---

4. Bulkhead panel LH

S1 3.8		BD16943	1
S1/2 4.2 FHC/DHC		BD28249	1
2+2		BD27545	1

Bulkhead panel 2+2		BD27545	1
--------------------	--	---------	---

Bulkhead panel V12		BD36575	1
--------------------	--	---------	---

5. Mounting bracket LH		BD15186	1
------------------------	--	---------	---

6. Mounting bracket RH		BD15187	1
------------------------	--	---------	---

7. Bulkhead side panel	RH	BD15180	1
	LH	BD15181	1

8. Side frame lower mounting bracket

S1/2 DHC/FHC	RH	BD15159	1
	LH	BD15160	1

S1/2 2+2	RH	BD27597	1
	LH	BD27598	1

S3	RH	MRE010BRH	1
	LH	MRE010BLH	1

9. Footwell

Late S1 3.8/S1 4.2/S2 DHC/FHC		MRE011	2
-------------------------------	--	--------	---

10. Front floor section with footwell including sill repair

S1 3.8 flat floor	RH	MRE012CRH	1
	LH	MRE012CLH	1

S1/2 DHC/FHC	RH	MRE012RH	1
	LH	MRE012LH	1

S1/2 2+2	RH	MRE012ARH	1
	LH	MRE012ALH	1

S3	RH	MRE012BRH	1
	LH	MRE012BLH	1

11. Rear floor, from footwell back, including radius arm cup mounting plate & seat rails etc

Rear floor footwell models S1/2	RH	MRE013RH	1
	LH	MRE013LH	1

Sub rear floor with radius arm cup fitted S1/2

	RH	MRE013/73ARH	1

To the man who
thinks he can't afford
a Jaguar, the different
breed of cat.

People are often surprised to learn that a Jaguar XK-E is priced lower than they supposed. For well under \$4,000 you can buy a sports car that looks and performs like a cat. And here's the proof. Who's more likely to buy a Jaguar XK-E today than ever before? Well, we have evidence to the contrary to give.

Every XK-E (Rear-wheel drive or Coupé) comes complete with 32 unique performance and luxury features that are often called "accents" in other cars. Your Jaguar is fully equipped and ready to roar.

Stand five minutes behind the wheel of a Jaguar XK-E. Discover why it is the most powerful and elegant of sports cars in the world. (If you're going to Europe, money-saving, we have dollars too for you.) See and drive the XK-E at your dealer's. Also see and drive the new Jaguar luxury sedans.

Even if you went all-out to get your XK-E 2+2,
you still don't need the most expensive motor oil.

**Just the best.**

Now that you've put yourself behind the wheel of this beautiful car, you'll want to give it some extra-riding care. This means picking a really fine motor oil. Like ours, Gulfproduct Single S, using tests established by auto makers, we've already checked Gulf Single S for its ability to protect against wear, scuffing, rusting, deposit formation and sludging. Gulfproduct has expressed the requirements of car makers in these tests. Recent tests show Gulfproduct Single S performance equals or exceeds that of four leading competitive premium motor oils. And one of them costs 25% a quart more than Gulfproduct. Get the best protection for your engine. Get Gulfproduct whenever you see the Sign of the Gulf Grange (S.G.).

Electronic Ignition Conversion Kits

Buy on-line at www.sngbarratt.com

The constant changing of points and condensers on any six cylinder E-Type is both inconvenient and time consuming. The later Jaguars all feature electronic ignition which comes with the obvious advantages of greater reliability, economy and maintenance free motoring. The kits we provide are all produced by leading manufacturers and are built to out last many of the cheaper kits that are available from many of our competitors! They are fairly easy to fit and require no further adjustment once they are in situ, so fit one and forget it!

Ignitor Electronic Ignition Kits

A solid-state electronic system... "never change points again!"

Test results show the Ignitor delivers twice the voltage to the spark plugs, increasing horsepower, fuel economy and plug life.

A 2:1 improvement over point type systems in current fall time for increased coil output.

System is designed for use with most point-type coils.

Rotating cobalt magnets, mounted on the distributor shaft, trigger an electronic switching module (Hall effect integrated circuit) ...no points to burn, pit and corrode ...no moving and rubbing parts to wear out.

Electronics are molded in epoxy, eliminating deterioration from dirt, oil, grease or moisture (better foul weather performance).

Fits entirely inside the distributor, no "black box" to clutter your engine compartment. Stable timing... no need for any further adjustments.

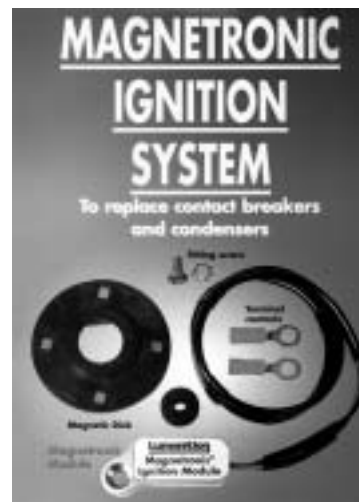

No complicated wiring makes installations easy.

S1 3.8 & early 4.2 DMBZ distributor type

Brake Disc/Pads	29,30
Brake Hoses	32
Brake Upgrade Kits	29,30
Brake Master Cylinder	31
Brake Pad Set	29,30
Brake Pipe Kit	31
Brake Wheel Cylinder (Dunlop)	29
Brake Wheel Cyl Repair Kit	69
Bulb, headlamp	70
Bulb, indicator	70
Bulb, instrument	
Bulb, number plate	71,72
Bulb, side lamp	70,72
Bulb, tail	70,72
Bulkhead panel	46
Bumpers & fittings	58
Bushes, front suspension	25,26
Bushes, rear suspension	28

C	
Camshaft Bearings	9
Camshaft Follower	10
Carburettor Components	21
Carburettor Rebuild Kits	19,21
Carburettors	19,21
Carpet Kits	87-91
Chassis Plates	85
Choke Cable	19
Clutch Cover	22
Clutch Kit	22
Clutch Master Cylinder	22
Clutch Pipe (flexible)	22
Clutch Plate	22
Clutch Release Bearing	22
Clutch Release Lever	22
Clutch Slave Cylinder	22
Clutch Slave Cyl Repair Kit	22
Condenser	79
Connecting Rods	5
Connectors, electrical	77
Contact Breakers	79
Cylinder Liners	12

D	
Dash Knob Set	
Dash Panel	66
Decals	85,86
Demister Tubes	81,82
Differential	24
Dipstick, engine	5,12
Distributor	79
Distributor Cap	79
Door Fittings	63,66
Door Glass	57
Door Handle	60
Door Hinges	49
Door Locks	60
Door Seals	52-56
Door Skins	48
Door Strikers	60
Dynamo	78
Dynamo Pulley	78

E	
Engine Lock Tab Set	6
Engine Mountings	5,15
Engine ID/No Plates	85,86
Exhaust Systems	39,40
Exhaust Manifold	10,17

F	
Fan Belt	17
Fan, Kenlowe, electric	38
Flasher Unit	79

Float (Carburettor)	19,21
Float Needle & Seats	19,21
Floor Panels (Boot)	63,66
Floor Mats, rubber	
Flywheel	5,12
Flywheel Bolts	5,12
Fuel Cap	42,43
Fuel Gauge	75
Fuel Pipes	42,43
Fuel Pump Assembly	42,43
Fuel Sender Unit	42,43
Fuel Tank	42,43
Fuse Box & Fuses	79

G	
Gasket Set, cylinder head	10,17
Gasket Set, bottom end	6,12
Gasket Set, gearbox	23
Gauges	75
Gear Lever	23
Gear Lever Gaiter	52,53,54
Gear Lever Knob	
Gearbox, Automatic	23
Gearbox Gasket Set	23
Gearbox, Manual	23
Gearbox Mountings	6,15
Grille, radiator	61

H	
HT Lead/Set	79
Half shafts Universal Joints	28
Handbrake	32
Handbrake Cable	32
Handbrake Components	29,30
Handbrake Pad Set	29,30
Header Tank	38
Headlamp Assemblies	69
Headlamp Rim	69
Headliner Kit	87-91
Heat Shields	61
Heater	81,82
Heater Control Cables	81,82
Heater Matrix	81,82
Heater Motor	81,82
Hinge, bonnet	50
Hinges, boot	49
Hood Frame	68
Hood	68
Horn	79
Horn Push	79
Hose kit	38
Hub Cap	33
Hub, wire wheel, front	25
Hub, wire wheel, rear	28

I	
Identification Plates	85,86
Ignition Coil	79
Ignition Systems, electronic	80
Indicator lamps	70,72
Instruments	75

J	
Jack	84
Jet Assembly (SU Carb)	19

K	
Knock Off Hammer	84
Knock Offs (Spinners)	25,28,33

L	
Lamp (Map): Dashboard	71
Lamp: Indicators (front/rear)	70,72
Lamp: Number plate	71,72
Lamp: Tail Assembly	70,72
Locking wire	11,26,28

M	
Manifold, exhaust	10,17
Manifold, inlet	10
Map lamp	71,72
Mirrors	61,64
Mountings, Engine	5,15

N	
Needles (Carbs)	19,21
Number Plate Lamp	71,72
Nut, cylinder head	10,16

O	
Oil Filter Spin Off Kit	8,13
Oil Filter Element	8,7,13
Oil Pressure Release Valve	8,13
Oil Pressure Sender Unit	79
Oil Pump	7,13
Oil Seals, rear axle	28
Over rider	58

P	
Piston, Brake Caliper	30
Piston Ring Sets	5,12
Piston Sets	5,12
Polybush Kits	26
Production Data	2
Propshaft & Fittings	24
Pulley, crankshaft	5,12
Pulley, dynamo	78

R	
Radiator	38
Radiator Cap	38
Radiator Hose Kits	38
Radio Blanking Plate	63
Rear Axle Differential	24
Rear lamps	70,72
Relay Unit, indicator	79
Release (Clutch) Bearing	22
Ring Gear (Flywheel)	5
Rotor Arm	17,79

S	
Safety Catch, bonnet	51
Seal Kit, brake master cyl	31
Seal Kit, front & rear brakes	29,30
Seal Kit, clutch master cyl	22
Seal Kit, clutch slave cyl	22
Seat Belts	
Seat Components	
Sender Unit, Brake Fluid	31
Sender Unit, Fuel	42
Sender Unit, Oil pressure	79
Sender Unit, Temperature	79
Shock Absorber, front	26
Shock Absorber, rear	28
Sills	47
Spark Plug	79
Speedometer	75
Speedometer Cable	76
Spinners	25,28,33
Spokes (Wire wheels)	33
Spring, rear, coil	28
